STATE OF CALIFORNIA      }  
                                }  
                                }ss.:  
COUNTY OF SANTA CLARA}

JOSEPH GAGLIARDI, being duly sworn, deposes and states the following:

1. I am President of Plaintiff, Garden City Boxing Club, Inc., and, as such, am fully familiar with the facts, circumstances and proceedings heretofore had herein.
2. I make this Affidavit in support of Plaintiff's request to recover statutory damages, including costs, attorney fees and interest in the within request for judgment by default.
3. Plaintiff, Garden City Boxing Club, Inc., owns the rights for the commercial distribution of the De La Hoya/Campas fight which was held on May 3, 2003. The licensing

agreement is attached hereto as Exhibit "A" My company thereafter marketed the sub-licensing of the broadcast to commercial establishments in the State of New York for a fee.

4. Prior to the De La Hoya/Campas, broadcast, Garden City Boxing Club, Inc., hired Signal Piracy, Inc. to contract with independent auditors who were assigned to identify establishments that unlawfully exhibited our program. Signal Piracy, Inc. charged a fee as set forth in their invoice.

5. To insure that only illegal locations were visited by the auditors, a list of authorized and legal locations who paid the required fee to broadcast the De La Hoya/Campas fight which was held on May 3, 2003, was distributed to Signal Piracy, Inc. Who provided same to all of their contracting auditors prior to visiting any unauthorized locations on May 3, 2003. This list is attached hereto as Exhibit "B"

6. Defendant **JORGE MEJIA, Individually, and as officer, director, shareholder and/or principal of CLUB CULTURAL LATINO AMERICANO, INC. d/b/a CLUB CULTURAL LATINO AMERICANO, and CLUB CULTURAL LATINO AMERICANO, INC. d/b/a CLUB CULTURAL LATINO AMERICANO**, did not purchase the rights to exhibit the event from my company.

7. According to our files, Thomas Wood, one of the independent auditors, visited Defendant's establishment, Club Cultural Latino located at 81 Common Street, Lawrence, MA at approx. 9:45 pm. He entered and observed two (2) television sets exhibiting a portion of the event to about 250 patrons in an establishment with a capacity of 300. The auditor's affidavit attesting to these facts is attached as Exhibit "C"

8. Defendant's showing was not authorized by Garden City Boxing Club, Inc., therefore, the said showing was in violation of the Piracy Statutes of the Federal

Communications Act.

9. Signal Piracy was paid the sum of \$350.00 from my company for the investigative work preformed in identifying Club Cultural Latino, and its owners as a pirate of the De La Hoya/Campas event. Their invoice is attached as Exhibit "D".

10. It is essential that I communicate to the Court that to the best of my knowledge this programming is not and cannot be "mistakenly or innocently intercepted." Some methods that a signal pirate can unlawfully intercept and broadcast such program illegally are as follows without limitation:

A. The use of a "black box" which is purchased for a fee and when installed on a cable TV line will allow for the descrambled reception of a pay-per-view broadcast, or

B. The purposeful misrepresentation of a commercial establishment as a residential property would allow the purchase of a pay-per-view broadcast for the event at the residential price of \$54.95, or

C. The use of a illegal cable drop or splice from an apartment or home adjacent to the commercial establishment premises who would purchase the broadcast at a residential price and divert the program to the commercial establishment and/or

D. The same initial actions being employed with respect to a "DSS Satellite Systems" or a "C-Band Satellite System."

These forms of satellite theft also involve the misrepresentation of a residential location, purchase of illegal unincryption devices, and/or the purchase of illegal satellite authorization codes which are readily available on the Internet and in various publications which are presently unregulated in the Nation of Canada.

11. To explain the history of Plaintiff's claim, your deponent submits that shortly after the advent of Pay-Per-View broadcasts, of which our company stands at the forefront, we began to experience a serious erosion of the sales to commercial establishments throughout the United States of America. Thereafter, we endeavored to find out what was the basis for the erosion. Much to our disappointment, we discovered that the root cause of the erosion of our customer base was the piracy of our broadcasts by unauthorized and unlicensed establishments.

12. Plaintiff has invested millions of dollars in the promotion of boxing broadcasts, and, with the increased frequency of signal piracy, our legal sales have eroded significantly.

13. In response, we embarked upon a program which was designed to identify and prosecute the commercial establishments which stole our broadcasts.

14. Turning these facts to the matter before the Court, I have been advised by counsel that the Court has the discretion in the awarding of damages for these nefarious and illegal activities.

15. It is respectfully submitted to this honorable Court that the unchecked activity of signal piracy not only has resulted in my business being severely damaged, but also has a negative effect upon lawful residential and commercial customers of cable and satellite broadcasting whose costs are necessarily increased significantly by these illegal activities.

16. I believe that such acts of piracy have cost my company millions of dollars in the last few years, while at the same time causing a reduction in our lawful business resulting from the perceived lack of consequence for such unlawful interception.

17. I, therefore, humbly ask this Court to grant the maximum allowance for statutory damages due to the fact that such actions are *per se* intentional and do not and cannot occur without the willful and intentional modification of electronic equipment, the business

misrepresentation of a commercial establishment as residential, or, the removal of cable traps and/or devices designed to prevent such unauthorized exhibits.

**WHEREFORE**, your deponent respectfully requests that this Court in its discretion grant judgment by default under 605(a) on COUNT 1 of the Plaintiff's complaint against the Defendants jointly and severally as follows:

**Against, Jorge Mejia, Individually,**

- 1) under 605(e)(3)(C)(i)(II) in the sum of up to TEN THOUSAND DOLLARS (\$10,000.00)
- 2) and under 605(e)(3)(C)(ii) a sum of up to ONE HUNDRED THOUSAND DOLLARS (\$100,000.00) for enhanced damages for Defendant's willful violation of 605(a)
- 3) and under 605(e)(3)(B)(iii) investigative fees of \$350.00, full costs, reasonable attorney fees as set forth in the attorney affidavit, and a permanent injunction restraining the Defendants from violating 605(a).

**Against, Club Cultural Latino Americano, Inc. D/b/a Club Cultural Latino Americano,**

- 1) under 605(e)(3)(C)(i)(II) in the sum of up to TEN THOUSAND DOLLARS (\$10,000.00)
- 2) and under 605(e)(3)(C)(ii) a sum of up to ONE HUNDRED THOUSAND DOLLARS (\$100,000.00) for enhanced damages for Defendant's willful violation of 605(a)
- 3) and under 605(e)(3)(B)(iii) investigative fees of \$350.00, full costs, reasonable attorney fees as set forth in the attorney affidavit, and a permanent injunction restraining the Defendants from violating 605(a).

Promoter and Licensee, acting jointly, shall have the right to commence or settle any claim or litigation arising out of the alleged piracy, use or proposed use of the telecast in the Territory. Promoter and Licensee shall notify each other in writing and shall consult with each other and mutually agree before commencing or settling any such claim or litigation in the Territory. Any damages, whether statutory, compensatory, punitive or otherwise, which Promoter and/or Licensee may recover from the theft, piracy, copying, duplication, unauthorized exhibition or transmission of the Event in the Territory, after payment of reasonable legal fees and disbursements, shall constitute gross revenues from the Event, to be shared by Promoter and Licensee as provided in Section 1 of this Agreement. Licensee shall advance any required legal fees and disbursements, subject to recoupment from any applicable recovery, and shall report all expenses, settlements and recoveries to Promoter on a quarterly basis. Your sublicensees shall have no right to commence or settle any claim or litigation arising out of the alleged piracy of the telecast hereunder without the prior written consent of Promoter.

7. Private Showings. Promoter shall have the right, at its cost and expense and upon written notice to you, to conduct or authorize others to conduct two (2) complimentary private showings of the telecast of the Event in each state within the Territory, for an audience not to exceed 125 persons at each location, with no admission charge and no advertising or advance publicity for such private showings.

Provided, however, that before Promoter may exercise any remedy with respect to any such default, Promoter must (i) provide License with written notice specifying such default and (ii) if and to the extent that time reasonably permits prior to the Event, provide Licensee with up to seven (7) days after Licensee's receipt of such default notice within which to cure such default.

(b) If, in violation of the provisions of this agreement, you or a sublicensee exhibits the Event in an outlet with a fire code occupancy limit in excess of 500 persons (except casino locations), then, in addition to the license fee for such outlet as provided in Paragraph 1, and in addition to and not in limitation of or in lieu of any other rights or remedies Promoter may have under this agreement, at law or in equity, including, without limitation, Promoter's rights to indemnification hereunder, Licensee shall immediately pay to Promoter an amount equal to the following for each such outlet that violates the aforesaid restriction: the sum of the fire code occupancy capacity of the outlet multiplied by \_\_\_\_\_ of the face amount of the highest ticket or admission price for the Event at that outlet. You agree that this payment is reasonably calculated to reimburse Promoter for its damages in the event of such violation of this agreement.

10. No Packaging with Other Events.

You shall not sublicense closed circuit television rights to the Event to exhibitors as part of a package which includes other boxing programs or bouts not included in this Event without the prior written consent of Promoter.
